Lunar New Year Red Envelope Instructions

WHAT YOU’LL NEED:
Lunar New Year red envelope printout
Tape, Double-sided tape or glue stick
Scissors

Step 1: Fold across the dashed lines and crease. Open paper back up and repeat. There should be four creases total.

Step 2: Cut out the envelope along the solid gray line. Also carefully cut the slit for the envelope flap.

Step 3: Fold into an envelope shape using the already-made creases. Glue or tape in the two indicated areas. Press the envelope sides together to set.

Step 4: Ready to gift, and show some love to friends and family!
